December 2003

Volume 8 Issue 6

## HappY Holidays,

The executive board of our alumni association wishes all of you, best wishes for the holidays and the coming New Year. This past year has gone by quickly, but not without many sponsored events and accomplishments. The White Sox vs Cubs game in June, the "Kno-Biggie" Party & Picnic in July and the Continuing Education Program in November were the chapter sponsored events. Our Alumni were invited to many of the Collegiate Chapter's functions. These included the annual ski trip, Spring Formal, Hayride, Chapter Retreat, "Rush" events and Initiation.

The greatest accomplishment of 2003, was the official establishment of the Phi Delta Chi Memorial Scholarship at the University of Illinois College of Pharmacy. The donated amount of \$10,000 collected through dues, donations and fund raising events by both alumni and students was completed in 6 years. The college's scholarship committee will be responsible for the distribution of the award. Thank you to all who participated in making this goal a reality. The Alumni Association will continue to use the annual dues to supplement the award and to increase the total held in trust by the University. Your membership dues are also being used to publish and mail this newsletter and to help defer some of the travel expenses of Collegiate members going to Grand Council and Leadership Development Seminars held by the National Chapter.

Please take note, this year the **Midwest Region Meeting** will be held in Chicago. Our chapter is planning on developing a Sunday Brunch Meeting and Continuing Education Program for Alumni. More information will be coming soon.

### Founders Day Annual CE Program:

This year's program, held at Wildfire Restaurant in Oak Brook, was a great success. Thanks go to Brothers Amy Lodolce, Paul Sovcik and Richard Lewis for their work involved in presenting this program. We hope you enjoy the photos featured in this issue of the "post-Script".

### Baseball Outing 2004:

As of right now, we have not purchased any tickets. We will try to get tickets for the Crosstown Classic (White Sox vs. Cubs). This game usually takes place in June. Information about the baseball game will be posted on the WEB and in future issues of the "post-Script".
