Brothers Ray Traficante, Alan Mohring, Chris Dymon, Jay Hilao, Lisa Siefert, and Amy Lodolce were in attendance along with several brothers from throughout the nation. Topics discussed included general ideas to increase alumni support and to facilitate alumni/student interaction as well as strategies to find lost brothers. The National office is working on increasing communication with alumni brothers, and revitalizing the Web site and the Communicator are current priorities.

Memorial Scholarship Award: 3-31-2004

This year marked the first presentation of our Phi Delta Chi Memorial Scholarship. Before the award ceremony at the College of Pharmacy, the official signing of the endowment papers was completed in Dean Sagraves conference room. The parents of Brother Marco Villa were in attendance for this memorable event. Marco died in 1996, eight years after being diagnosed with severe cardiomyopathy. His dream of graduating from pharmacy school was cut short by only a few months. Soon after Marco's death, our Alumni Association was chartered and the creation of a scholarship fund became our number one goal. Thanks to all the alumni and collegiate members who made this goal a reality.

The recipient of this year's scholarship award is Theresa Heneghan.
