Annual Alumni Baseball Outing: June 27th, 2004

This year's annual event took place under absolutely great weather. Low 80's with an occasional cloud to cool things off. The days festivities began with a tailgate party in the parking lot just outside the Cellular One Stadium. The menu included grilled burgers, bratwurst and plenty of liquid refreshments. The White Sox vs. Cubs game was very exciting and our seats in right center field were exceptional. As always, everyone had a terrific time, and the students in attendance had a wonderful opportunity to share a great afternoon with their alumni brothers. A thank you goes to Wally Staron, for organizing the pre-game get together. I am sure that all who attended had a great time, and we look forward to next year's cross-town classic.
