### Fire at the UIC College of Pharmacy!

Friends and Alumni of the College:

As some of you may have heard the College of Pharmacy has suffered extensive damage as a result of a fire that started on the morning of January 19th in a 4th floor laboratory. At the time of this writing, the building is closed and we are working furiously to create a schedule for students in other areas at UIC and alternate spaces for faculty and their research. Cleanup is in progress although it is not clear when we may reoccupy the building.

Already I have heard from many of you with your offers to help us in our time of need; these expressions of concern and desire to help have truly touched us at the College. What wonderful friends we have!

Despite this tragedy, there are things to be thankful for, the most important being that no one was hurt. And, make no mistake, we will survive this: we will fix our building, faculty will return to their classrooms and laboratories and we will continue educate leaders in pharmacy practice and pharmaceutical research. We are a College with exceptional faculty, students and alumni not a building.

Jerry L. Bauman  
Dean

P.S. Please visit the college website at [www.uic.edu/pharmacy](http://www.uic.edu/pharmacy) for frequent updates on the restoration progress as they become available.

## The Alpha Sigma Chapter after the Fire

By the time many of you read this, the Brothers of the Alpha Sigma Chapter are trying to return to a state of normalcy after the fire.

The students only have two rooms that are restricted for use in the College of Pharmacy. Each class is separated amongst various building on the UIC campus. This makes it difficult if not impossible for the chapter to gather together and partake in the many fundraising and professional events that are held by the chapter at the College of Pharmacy.

For the first time this semester, the chapter as a whole was able to meet at the end of February. Currently no events have been announced for the Spring semester. As information becomes available, we will send out e-mails and post it on the website.

The Alpha Sigma Alumni Association is asking for Alumni Brothers to kindly donate on our website to help the chapter out. Since the chapter does not have anywhere to fund-raise, events such as the Midwest Region Meeting, the PDC Memorial Scholarship, and the Spring Formal, become difficult to partake in without fundraising. All donations are greatly appreciated to help the chapter out!
