Martin Luther King Ski Trip Weekend

January 2014

Brothers Ron Koch, Ray Traficante and Clare Kane with Beemer

Over **50** Collegiate members attended this year's ski trip to the Northwoods of Wisconsin during the Martin Luther King weekend. Great skiing weather with temperatures in the high teens to low 20's. The weekend brought a gift of about ten inches of new snow to all those who wanted to hit the slopes of Michigan's Upper Peninsula.

January 2014

The bonds of friendship and brotherhood are always promoted and strengthened during this annual event.

The Passing of a Pharmaceutically Elegant Person — Dr. Fred Siegel —

In Memory of Our Beloved Dr. Frederick Siegel.

This last December 15th 2013 Dr. Frederick Siegel passed. He was a wonderful teacher and many of us have fond memories of him and his classes. He taught Pharmaceutics/Pharmacy at the UIC COP for almost 35 years (from 1958 to 1992) and was awarded with nine Golden Apple Awards and fifteen Teacher of the Year Awards. His rabbi called him a true mensch. A mensch is literally a “person who is responsible, has a sense of right and wrong and is the sort of person other people look up to”. It is also a person with great humility and love for his fellow man. Dr. Fred Siegel was all of that. We loved his lectures which were done without notes and were always a mix of facts we needed to remember and humor that helped us to remember those facts. He will be sorely missed. Dr. Siegel was a friend to all students and the Phi Delta Chi loved him dearly.

Many have contributed to the Siegel Scholarship which is now endowed in perpetuity but additional donations would increase the amounts that could be given to students. If you wish to donate, please click on the link *Brother Ron Koch '70*

All of us older alum remember the “pharmaceutically elegant” phrase coined by Dr. Siegel.

A Honorary PDC Brother and beautiful person worthy of our love and admiration. *Brother Ray Traficante '72*
