Your Alpha Sigma Brothers invite you to join them in raising funds and awareness for childhood cancer. St. Jude Children's Research Hospital is the world's premier research center for children with cancer and other catastrophic diseases. The hospital's daily operating costs are more than \$1.8 million, which are primarily covered by public contributions. St. Jude freely shares its research findings with medical communities around the world, and families are never asked to pay.

Your dues and donations help us to fund the PDC Memorial Scholarship Fund and the PDC Continuing Education Fund. We are also able to help our Collegiate Brothers with travel expenses to National Phi Delta Chi events and other professional meetings. If you know of any fellow Brothers who are not getting this newsletter, please feel free to pass this newsletter along so we can continue to grow and continue to be the leading Alumni Chapter of Phi Delta Chi!
