Alpha Sigma Chapter - Phi Delta Chi Memorial Scholarship Wednesday Evening April 4th, 2018

The [Phi Delta Chi Memorial Scholarship](#) was created by the Alpha Sigma Alumni Association in 1999. After many years of fundraising and direct donations from our members and the Collegiate Chapter the fund became fully endowed and recognized by the Illinois Foundation. One of our primary goals as an organization is the continued funding and management of this scholarship fund. Each year since 2004 the University of Illinois, College of Pharmacy Scholarship Committee has selected a student to receive the PDC Memorial Scholarship. This selection is done anonymously to remove all bias. The selected (P3) student recipient of the scholarship must be an active member in good standing of the Alpha Sigma Chapter (UIC) of Phi Delta Chi Fraternity. The recipient will have participated in a chapter committee and/or served as a chapter officer and has a reputation for community service, professionalism and leadership. This year's well deserved recipient is Brother Corinne Songer.
