Covid-19 led to a virtual Initiation last year. After this year's well planned in-person Initiation, the Omicron variant became the dominant strain of the virus and once again, strict restrictions were put in place at the college.

The Light at the End of the Tunnel.....

The beginning of 2022 was ushered in with more Covid mandates. Social events both on and off campus were cancelled or made virtual. There was no Alumni Chapter / Collegiate Chapter Brewery Social and the Annual Martin Luther King Weekend Ski Trip in Wisconsin was also cancelled. Both of these events that were held in previous years, provided an excellent opportunity for the students and alumni to meet each other and strengthen the bonds of brotherhood that we share.I see the light! Covid mitigations and mandates have been lifted just in time for this year's graduation ceremonies. Congratulations to the Class of 2022!! You get to celebrate an in-person graduation with friends and family.

The College of Pharmacy has re-introduced the "Golden Graduate" program that began in 2019. The 50th year anniversary graduates from the class of 1972 have been invited to participate in graduation ceremonies with the class of 2022. These "Golden Graduates" will be joined by the classes of 1970 and 1971 since the program was put on hold for 2 years. Due to short notice from the COP the deadline to register is fast approaching. Sorry for the short notice but all of the graduation plans were put together quickly once the Covid restrictions were lifted. If interested, and you have not received an email from the college, please click on the link below and register for the event. **ASAP**

Phi Delta Chi Memorial Scholarship Presentation at The 70th Annual Honors Convocation

Each year since 2004 the University of Illinois, College of Pharmacy Scholarship Committee has selected a student(s) to receive the Phi Delta Chi Memorial Scholarship. This selection is done anonymously to remove all bias. Our scholarship is presented annually to a third year PDC Brother entering the last year of Pharmacy school who has demonstrated leadership in the fraternity, participated in community outreach programs and is active in other student organizations on campus. Our Alumni Association recognizes the importance of this involvement as students go on to their future careers in pharmacy.

This year's deserving recipient is **Brother Abby Greenwood**. All deserving pharmacy students and many Phi Delta Chi Brothers are recognized at the Honors Convocation hosted by the College of Pharmacy.

The College of Pharmacy, has decided to permanently hold the Honors Convocation virtually. We received the email below explaining the college's decision. The online program will be available online.

The UIC College of Pharmacy is extremely fortunate to have many alumni and donors who have enabled the future generation of pharmacists by supporting scholarships for our outstanding students. In fact, because of this generosity we have seen significant growth in the number of scholarships and total funds awarded. This year we will distribute nearly \$200,000 to 179 students from 92 scholarships!

In the past we have held the Annual Honors Convocation to recognize these students and benefactors, with parents and faculty invited. Unfortunately, this event is no longer practical in its previous format because of the time it would require to distribute all these awards. Taking a lesson from the pandemic, we have decided to move to a hybrid and more decentralized format.

This year we will have an online program to announce each scholarship and its donor, and the student recipients – just as we did the past two years. On April 14 at 5 p.m. CST, you will find the online program on our scholarship page.
