PDC 2023 Phi Lambda Sigma Recipients

The purpose of Phi Lambda Sigma, also known as the National Pharmacy Leadership Society, is to promote the development of leadership qualities, especially among pharmacy students.

The next Grand Council will be held in Houston, Texas in 2023. (information below) Attendance by representative delegate Brothers from the Collegiate and Alumni Chapters is mandated by the National Office of Phi Delta Chi. Unfortunately, the costs to attend have greatly increased in recent years. Grand Council fees, hotel reservations, meals and travel expenses to and from Houston have all increased. Because of this, the Alpha Sigma Alumni Association wishes to help reduce some of the expenses that the Collegiate Chapter will incur next year.

Our goal is to raise enough money to help send two collegiate Brothers to Houston next year! We need the help of our alumni to make this a reality. Please consider making a donation to this effort. To make a donation of any amount, please visit the "Donation Page" link below.

Each Needs the Help of the Other,

Alpha Sigma Alumni Association, Executive Board

The Alumni Association Facebook Page is up and running once again. If you are interested in seeking out a Brother or you just want to stay connected and in touch with the chapter, consider adding the private [PDC Alpha Sigma Alumni Facebook Page](#) to your list of favorite sites. Only Phi Delta Chi Brothers will have access to see who is in the group and what they post. Just make your request to be added, and once you are verified as a Brother, you will have access to the page.

Your donations to our association will help us in funding the PDC Memorial Scholarship Fund and the PDC Continuing Education Fund. Donations are also used to help our Collegiate Brothers with travel expenses to National Phi Delta Chi events and other professional meetings.

If you know of any fellow Brothers who are not getting this newsletter, please feel free to pass the newsletter link along so we can continue to grow and continue to be a leading Alumni Chapter of Phi Delta Chi.
