Mid Spring 1998

Volume 3 Issue 2

**G**reetings Fellow Alumni,

Spring has finally arrived, the P4 pharmacy school students are soon to graduate and the P3 students are getting geared up for the start of their clinical rotations. As many of you know or realize by now, our previous Correspondent, Jeff Prescott has moved to St. Louis, Mo. All of us in the alumni chapter will miss Jeff's input at our meetings. I am sure Jeff will continue to be an active force in our association but logistically it became difficult for him to continue as Correspondent. Our best wishes go out to Jeff !!  
Back to the business at hand.

I hope that everyone had a wonderful winter season, and so far an enjoyable spring. I managed to go out skiing 14 times this season. Alumni brothers, Paul Anast and Dominick Zotta joined me for a couple of nice days on the slopes of Cascade Mt. and Devil's Head in Wisconsin..

I had the pleasure of attending the active chapters Annual Formal at Z.D.E. on April 3rd. Jeff Prescott even flew in from St. Louis for the event. Mr. Rick Fiscella was invited as a special guest, and he was named an honorary Phi Delt Chi brother. Rick has been very active with the student body on campus. Thank you Rick, for always being supportive and helpful to our active brothers.

**MAY 17th :** Our next official business meeting. NEW LOCATION - PALMER PLACE  
56 South LaGrange Road, La Grange, IL. (located in the center of town-parking in rear)  
See you there at 6:00 PM.

**BUSINESS :** There has been some confusion about our dues for the Alumni Association. Dues are collected MID YEAR (June 98 through May 31st, 1999) You can pay prior to June 1st. At our next meeting, I will propose the following to clarify a dues payment schedule. For *new members* joining in January, February, or March the dues will be \$10.

ΦΔΧ - ΑΣ

**Business cont.:**

This lower amount would reflect payment for a partial year. Renewal for this member would take place on June 1st of that same year. For *new or renewal memberships* in April or May the dues would be \$20. Then renewal of membership would be on June of the next calendar year.

For any P-4s reading this newsletter, remember that the Alumni Association is dependant upon your support for our future survival. By becoming a member you will be at the very least, informed on a quarterly basis, as to the goings on of our group and that of the active chapter. The dues (\$20/yr.) in part support the active chapter and the memorial scholarship fund. It may take several more years to reach our goal of \$10,000 but we are well on our way to accomplishing this feat. If you are planning on changing your address please inform me so we can keep the newsletters coming.

**SUMMER PICNIC:**

Last year many Alumni brothers attended this annual event. The class of 1972 was well represented by Rick and Kathy Muno, Tom Healy and Ray Traficante. Several students from the Delta Chapter (Madison) came down for the day. This is always a fun backyard party and I hope all of the members of the Alumni Association can make it this year.
