

post-Script

Mid Summer 1998

Volume 3 Issue 4

Greetings Fellow Alumni,

It is my pleasure to announce that this issue of the "post-Script" has been put together by our newly elected Correspondent, Que Huynh (98). Que has some great ideas for our alumni publication and with the support of the membership, I know we can make her job easier and much more enjoyable. Her goal is to make the "post-Script" a publication we can all take an active part in developing. Obviously then, editorial contributions and newsworthy items are welcome and encouraged from the membership at large.

Old Business: Both of the proposed constitutional amendments were accepted by the membership of the Alumni Association. The full text of the amendments can be seen in the last issue of the "post-Script" (vol.3 issue3). If anyone wishes to obtain a full copy of our constitution please make your request to the Chapter Correspondent, Que Huynh.

Kno-Biggie: Named after the first band that played, at the first summer backyard party in 1983, the annual Kno-Biggie Party & Picnic was held this year on Saturday, July 11th. Ray Traficante and his family hosted approximately 75 family, friends, and neighbors who enjoyed live music, food, drinks, until 5:30 AM. The event allowed Phi Dex actives and alumni to unite, reminisce and enjoy the bonds of brotherhood. The Alpha Sigma collegiate chapter presented Ray and his family with an apple tree to plant as a living tribute to Ray's son Michael. Thank you Ray for welcoming us once again to your annual Kno - Biggie backyard party.

C.E. Information: We will be presenting a free CE on Sunday October 25th. Paul Sovcik, an Alpha Sigma alum, will be the speaker. Paul, who works for Brisol-Myers Squibb, will be attending our August 30th meeting to discuss the topics and location. A Sunday brunch at Magiano's is one of the suggestions as the meeting place for the CE.

Baseball Game: The CUBS or SOX game outing is on hold. The Cubs are doing well this year and it has become very hard to get large blocks of seats in a decent location. I have been in touch with Wally Staron, the event coordinator, who has brought up the possibility of a smaller group attending a White Sox game at the end of the season. If you are interested in a September game, contact Wally at (708) 233-9377. The active chapter has plans to attend a game, but the details are still sketchy. We will definately make plans earlier for next years season, and working with a contact person in the Cubs organization in order to procure decent seating.

Fund Raising: As was mentioned in the last newsletter, we will be involver with the "Shop & Share" programs at Dominick's and Jewel. (maximum of 4 times/year) The "Entertainment 99" books are now available and maybe we should consider this as an option for fundraising

Michael Salrin is to be wed to Shelley Lynn Cleveland on Saturday, October 10th in South Bend, Indiana. Good luck and congratulations to Mike and Shelley in your future together. As for you Mike, remember our pledge song and raise more Phi Delta Chi.

Joanie Peterson has been recently employed by the University of Illinois in the Infectious Disease Department. And **Alyssa Sachs** is also an employee of the university as a phamacotherapist with the Ambulatory Care Department. I heard through the grapevine that Joanie is engaged but of course this is only a unsubstantiated rumor !!!

Congratulations to **Jodi McKenzie** (class of 1998) who was recently wed to David Butler on August 22nd in Champaign IL. The advice goes to you that was given to Mike Salrin!!

Last Word: We are in the process of creating a WEB page for the Alumni Association. We are going to link it to the Active chapter's site and therefore it would be supported by the University of Illinois. Anyone interested that has WEB site building experience, please contact :

Ray Traficante at (312) 996-6541

Watch for more news updates regarding our site and other interesting WEB sites.

Next Meeting: Sunday, August 30th at 6:00 PM, we will again meet at Palmer Place located at 56 S. La Grange Rd. in La Grange, IL. The last meeting was well attended and this location seems to be ideal for our needs. I hope to see many of the membership there.
