Growth of the Alumni Association depends partially upon the involvement and participation of our new graduates. We hope that all of you will join and be active members.

**CAREER FORUM 2000:** On March 4th, the collegiate chapter held its annual Professional Career Forum. Four alumni, representing various fields, spoke of their pharmacy experiences to a very attentive audience. This years Career Forum provided an excellent opportunity for the active brothers to mingle with the Alumni in a professional yet casual setting. Thanks again to all that participated.

Alumni Brothers: Jim O'Donnel, Amy Lodolce, John DeNardo and Jim Duvel

### **Alumni Baseball Outing: June 11th - Comiskey Park**

This years outing will be at Comiskey Park, where we will see the Cubs and White Sox participate in a cross town classic game. We only have a few tickets left. If interested in attending, please contact Ray Traficante at (312) 996-6541 (work). The tickets are \$15.00 each.

### **Regional News:**

The National officers of Phi Delta Chi have been very hard at work on communication within the Fraternity. The Communicator publishing schedule was on the agenda. Dr. Kenneth Blume Grand Officer For Communication set up a schedule for publishing to put the publication back on track. He also set a personal challenge to revamp the format to make it more of a useful tool to the chapters and for alumni. Check your mail, that is if you are a dues paying alumni, for the fresh new Communicator.

Another exciting new tool is the official web site. The web master is Greg Rojas, the husband of brother Mary Rojas at Alpha Delta. Various details such as contact information for the national and regional officers, upcoming events, chapter information, the constitution, and Phi Delta Chi history can be browsed. The site can be found at [www.phideltachi.org](http://www.phideltachi.org). In the near future the site will contain information the chapters need for the achievement award program, a route of submittal, and report tally for the chapters. The national site will also provide links to local chapter web pages. Check it out and tell us what you think, and tell them Lisa Linn sent you.

The structure of the regional officers is changing. Regional alumni officers will not focus on the areas of alumni or collegiate affairs. They will instead work to help in any area of need within the region working as a team with the Regional Correspondent. We are excited about this change because we can now focus on issues that we may have experience with or ones closest to our home.

**Next Meeting:** Sunday, **June 4th** at 6:00 PM, we will again meet at Palmer Place located at 56 S. La Grange Rd. in La Grange, IL. We hope to see many members in attendance. (Parking lots located behind the building and directly across the street)
