Dear Brothers,

Congratulations on your recent graduation from the University of Illinois College of Pharmacy! You've worked long and hard for many years and it has finally paid off. You should be very proud of your achievements.

I am writing to encourage you to get involved and join the Phi Delta Chi Alumni Association. When I graduated in 1998, I joined immediately. I felt in my heart that Phi Delta Chi was very good to me when I was a student. It was an organization that helped me develop my communication skills and leadership qualities. Most of all, I developed lifelong friendships and bonds with my Phi Delta Chi Brothers. Phi Delta Chi has had a big impact on me personally and professionally. Therefore, supporting the Alumni Association with my membership and involvement is the least I could do for an organization that gave me so much.

Your \$20 membership dues will help the Alumni Association support the Collegiate Chapter, send out the Post-Script and other communications to the members, and organize various functions and events. Please consider joining and becoming a valuable member of our Alumni Chapter.

AAAE,
