**Virtual
Phi Delta Chi Memorial Scholarship Presentation
UIC College of Pharmacy**

Our scholarship is presented annually to a third year PDC Brother entering the last year of Pharmacy school who has demonstrated leadership in the fraternity, participated in community outreach programs and is active in other student organizations on campus. Our Alumni Association recognizes the importance of this involvement as students go on to their future careers in pharmacy. This year's deserving recipient is Brother Kelsey LaMartina. Other deserving pharmacy students and many Phi Delta Chi Brothers were recognized at the Honors Convocation hosted by the College of Pharmacy in April. Unfortunately, this year's Honors Convocation was once again presented virtually. Members of our Alumni Association truly miss being able to attend this wonderful event in person. Hopefully, things will get back to normal in 2022. We do have a short MP4 video clip of the 2021 virtual Phi Delta Chi Memorial Scholarship presentation.

Our Alumni Chapter hopes to have a non-virtual meeting sometime this summer. Keeping my fingers crossed! The Collegiate Chapter Retreat / Alumni Picnic is scheduled for August 22nd. Hopefully, we can have this event proceed without any changes or challenges like we had in 2020.

PDC Graduating Class of 2021

Congratulations to our Phi Delta Chi Brothers that graduated this year!!

And what a year this has been for all of you.

Classroom learning during the last semester of your P3 year became virtual and then your clinical rotations began during the peak of a pandemic.

Needless to say, even with the additional challenges that Covid19 presented, you were all able to excel and prove to all, your ability to overcome adversity. As Pharmacists and Alumni Brothers, we welcome all of you to the profession as our colleagues.

As colleagues in the profession, we are confident that all of you will find success and fulfillment within the field of pharmacy. It is our sincere hope that all the graduates consider membership in our Alumni Association and maintain a close bond to our Collegiate Chapter. The Alumni Chapter can serve as a bridge between scholastic and professional challenges.
