## Phi Delta Chi Memorial Scholarship Award

The Phi Delta Chi Memorial Scholarship was created by the Alpha Sigma Alumni Association in 1999. After many years of fundraising and direct donations from our members and the Collegiate Chapter, the fund became fully endowed and recognized by the Illinois Foundation. One of our primary goals as an organization is the continued funding and management of this scholarship fund. Each year since 2004, the University of Illinois - College of Pharmacy Scholarship Committee, has selected a (P-3) Alpha Sigma student to receive the Phi Delta Chi Memorial Scholarship. Selection is done anonymously to remove all bias.

This year's worthy recipient is Erika Maslennikov. Erika has been a tireless leader as (WCC) this academic year. During her years at the college, she has demonstrated leadership in the fraternity, volunteered in community outreach programs and remained active in other student organizations on campus. **Congratulations Erika!**

A total of thirty-one Alpha Sigma Brothers were recipients of 37 awards and scholarships at this year's 72nd Annual Doctor of Pharmacy Honors Convocation. Congratulations to all of the students who received recognition.

## UIC College of Pharmacy Phi Delta Chi Conference Fund

The new “Phi Delta Chi Conference Fund” has been established. This fund will be maintained by the College of Pharmacy and University of Illinois Foundation. The money that you donate will be distributed to Collegiate Chapter Brothers traveling to Phi Delta Chi professional meetings such as Grand Council, Leader Development Seminar and the Midwest Regional Meeting. The funds are held in trust by the Foundation and are distributed only to students that have officially applied for the grant.

As an Alumni Brother, **please** consider making a charitable donation to this fund. The cost of sending a Collegiate Delegate to Grand Council and other PDC meetings has increased dramatically.

Click on this [LINK](#) for more complete instructions and a link to the Illinois Foundation’s webpage at the UIC - College of Pharmacy. **The success of this endeavor will depend on all of us.**
